TOURNAMENT HISTORY:

The Chapel Haven Schleifer Center Golf Classic is an annual tradition started by Peggy Baker, an accomplished golfer and a Chapel Haven parent who wanted to share her love of the sport and increase awareness about Chapel Haven and its life-changing mission. A steering committee that includes parents, staff, Chapel Haven adults and community helps plan the tournament each year. We thank you for joining us!

ABOUT CHAPEL HAVEN SCHLEIFER CENTER:

Founded in 1972, **Chapel Haven Schleifer Center** is an award-winning, nationally accredited transitional living program and approved private special education with a mission of teaching adults with cognitive disabilities and social disabilities to live independent and productive lives.

Chapel Haven Schleifer Center has grown to serve more than 250 adults (18 years of age and older) in the residence and the community with three distinct programs; **REACH, Asperger's Syndrome Adult Transition (ASAT), and Chapel Haven West (Tucson, AZ). In all three programs, the goal is a happy and productive independent adult life!**

Upon graduation, 85% of our adults choose to continue living in the Chapel Haven community, and receive continued supports.

Beginning in **2017**, Chapel Haven is underway with a **\$41.5 million campus expansion** at its founding campus in Westville, CT that has delivered a **new, four-story REACH residential and classroom campus**; a new **Welcome Center**, and, in 2020, the **Schleifer Adult Independent Living (SAIL)** center, designed for adults to age in place in a vibrant and non-institutional setting. Chapel Haven has also launched the **Center for Employment and Service Opportunities (CESO)**, dedicating to securing meaningful employment and volunteer opportunities for adults.

We invite you to take a tour and learn more about what our program can do for adults with varying abilities. Contact us at (203) 397-1714, ext. 185 or admission@chapelhaven.org
