ASAT Program
Workshop Catalog

SUMMER B
July 13 – August 21, 2020
The ASAT Program

The Asperger Syndrome Adult Transition (ASAT) Program at Chapel Haven Schleifer Center provides an array of services to support individuals with Asperger’s Syndrome and related diagnoses to live increasingly independent and productive lives. One component is our adult education program, which offers a range of workshops to develop social and independent living skills, as well as for personal enrichment.

Virtual Offerings During the COVID-19 Pandemic

As the world is being advised to self-isolate and social distance, we find it more important than ever to safely stay connected. During this time we will be offering virtual classes – allowing students to stay in their apartments or homes while they attend class and for staff to limit their time on CHSC campus. Classes that will be offered virtually are marked with a computer symbol (). Students currently in residence will still have an opportunity to attend in-person classes while adhering to hand washing and social distancing rules. In-person classes are designated with a hand symbol (). Students must wash their hands at the beginning of class and again when they return to their apartments. In person classes will be limited to 4 students or less. Students will practice social distancing in classroom spaces.

Registering for the First Time

To enroll in ASAT workshops, individuals must participate in a brief intake process to ensure that they will benefit from our programming. In brief, some of the expected criteria include:

- 18 years of age or older (sorry, no exceptions)
- Have a primary diagnosis of high functioning autism, ASD, Asperger’s Syndrome, PDD-NOS, nonverbal learning disability, or a related social communication diagnosis
- Able to participate effectively in a group classroom environment without individual support
- Does not require direct supervision or pose a danger to self or others

Registration appointments are required for anyone registering for ASAT workshops for the first time.

A few important notes regarding registration appointments:

- Registration sessions are required only for individuals new to the ASAT program at Chapel Haven Schleifer Center. If you have taken workshops with us before or you are currently receiving other services from the ASAT program, you do not need to attend registration. You may simply complete the workshop enrollment sheet and drop it off.

- Please keep in mind that our residential students receive priority enrollment. Following their registrations, requests are processed on a first-come, first-serve basis.

Please contact Carolyn Gorman at 203-397-1714, ext. 163 or cgorman@chapelhaven.org to schedule a registration session or for additional information.
