TOURNAMENT HISTORY:

The Chapel Haven Schleifer Center Golf Classic is an annual tradition started by Peggy Baker, an accomplished golfer and a Chapel Haven parent who wanted to share her love of the sport and increase awareness about Chapel Haven and its life-changing mission. A steering committee that includes parents, staff, Chapel Haven adults and community helps plan the tournament each year. We thank you for joining us!

ABOUT CHAPEL HAVEN SCHLEIFER CENTER:

Founded in 1972, **Chapel Haven Schleifer Center** is an award-winning, nationally accredited transitional living program and approved private special education school with a mission of teaching adults with cognitive disabilities and social disabilities to live independent and productive lives.

Chapel Haven Schleifer Center has grown to serve more than 250 adults (18 years of age and older) in the residence and the community with programs including **REACH**, **SAIL** and **Asperger's Syndrome Adult Transition (ASAT)**. In all programs, the goal is a happy and productive independent adult life!

Upon graduation, 85% of our adults choose to continue living in the Chapel Haven community, and receive continued supports.

We are grateful to our staff, families and community friends like you for helping us endure through a most challenging time. Your support of our life-changing mission helps us continue serving adults! Please consider hiring one of our adults. Our CareerAbility program is working hard to secure meaningful employment and volunteer opportunities for adults. If you can help, please reach out to Executive Director Sarah Elsdon at selsdon@chapelhaven.org.

We invite you to take a tour and learn more about what our program can do for adults with varying abilities. Contact us at (203) 397-1714, ext. 185 or admission@chapelhaven.org
